

# Heart River

Homebrewers EST. 2004

## HOME BREWERS COMMENTS:

This beer is smooth, slightly sweet & roasty with a subtle tart coffee finish. A little light on body, but a nice marriage of coffee with the Porter style of beer.

## Big Sky Brewing Co. Cowboy Coffee Porter

### STYLE DEFINITION:

Inspired from the now wavering English Porter, the American Porter is the ingenious creation from that. Thankfully with lots of innovation and originality American brewers have taken this style to a new level. Whether it is highly hopping the brew, using smoked malts, or adding coffee or chocolate to complement the burnt flavor associated with this style. Some are even barrel aged in Bourbon or whiskey barrels. The hop bitterness range is quite wide but most are balanced. Many are just easy drinking session porters as well.
