MICHELOB Irish Red

HOME BREWERS COMMENTS:

The Irish Red had an excellent color for the style and was malty, crisp, with a good hop flavor profile and dry caramel malt finish. A nice beer that fit the style well.

STYLE DEFINITION:

A bit sweet, with a lightly hopped tea-like flavor, and an even dextrinous body, Irish Red Ales are easy to please. Look for well-rounded and blanced flavors, and a pleasant toasted malt character in many examples. A drying finish is common.
